

Shippensburg Band

Shippensburg, Pennsylvania

May, 2011

Dear Band Director/Private Music Teacher,

On the reverse of this letter please find an announcement of the Shippensburg Band's second Young Artist Solo Competition, a poster that we would hope you would post in your band room.

While there are many of these types of competitions for students of orchestral instruments, very few are for students of band instruments. We want to offer this opportunity to school-aged students from the area around Shippensburg, PA, including only Adams, Cumberland, Franklin, Fulton and Perry Counties in PA and Washington County, MD.

Please feel free to duplicate the announcement and application form can be found on the band's website, www.shipband.org. While we have attempted to identify all schools in the six eligible counties, it is possible that we have missed a few, so we thank you for sharing this information with your music colleagues in both the public and private sectors.

Thank you for distributing these to students in your area, and please encourage them to apply.

Questions can be directed to the Young Artist Solo Competition Chair:

Carl Sponenberg
530 Springfield Rd
Shippensburg, PA 17257
717-776-5822

or via email at: sponenberg@pa.net.

Sincerely,

Board of Directors
Shippensburg Band
